VANGUARDIA
COLOMBIA

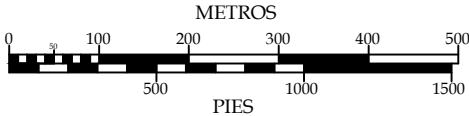

Plan view of the proposed road layout for the 'VIA AL CAIRO' project. The layout shows a main road with a dashed center line, flanked by green areas. Key features include:

- 1. A 'TWR' (Traffic Warning Road) area at the top left.
- 2. A 'WDI' (Width of Development Intersection) area at the top left.
- 3. A 'UMBRAL DESPLAZADO 60mts' (60m displaced threshold) at the top left.
- 4. A 'CWY' (Curb Width) area at the top right.
- 5. A 'VIA AL CAIRO' road running horizontally.
- 6. A 'RIO GUATIQUEIA' river at the bottom left.
- 7. A 'CLAVE' (Key) table at the bottom right.
